Our webinar series is a great way to keep up to date on the latest regulations, farming techniques and business tips that will help you succeed in the emerging hemp market.

Wednesday, December 2nd: 12:00pm-1:00pm CST

Moderator: Robert Colangelo, Founding Farmer, Hemplet Farms

State of the Hemp Market

W. Ian Laird, CFO & General Council for Hemp Benchmarks

Ian has 35+ years as a finance lawyer, investment banker and private equity investor.

He has extensive experience structuring financings that address commodity price risk

in energy, mining, pulp and paper. Ian will provide an overview of the state of the hemp

market from the supply side — which is the key factor impacting wholesale prices. His presentation will include data on biomass (and extracted products for cannabinoids) grain and fiber.

Hemp Busters: Analytical Testing- Urban Legend vs Facts

Ryan Bellone, Commercial Director, KCA Laboratories

Ryan Bellone is Commercial Director for independent hemp testing lab KCA

Laboratories in Nicholasville, KY. Prior to KCA Labs, Ryan managed business

development in international markets for a prominent dietary supplement testing

laboratory with a focus on banned substance contamination prevention and mitigation. Ryan's presentation discusses THC limits, sampling, THC isomers (d8-THC and d9-THC), raising the threshold and field tests.
